

Memorial Day 2016

The Chapter provided golf carts for the Memorial Day ceremony at Camp Nelson too take care of those semi ambulatory folks who came to attend the one hour Memorial Day Ceremony and for those who came to visit the grave sites of their loved ones. The carts were paid for from funds which provide for Veterans activities throughout the Chapter Operating Area provided by the local Lockheed Martin Operation. LM also provided volunteers and the pictures taken of the carts. The funding attribution sheet and the volunteer names go into the local LM works newspaper and sometimes to the National HQ. NOTE: We use Patriot Guard Riders to drive the carts. Chapter volunteers (four this time) work as road guides to get the attendees parked appropriately.

Preparing Carts for Use

Lloyd in UK Cart

Carts ready to roll!

Founding chapter president, Lloyd McMillan, at the gravesite of his son and chapter namesake Cpl. Bill McMillan.
